- Effective analytical and problem-solving skills and proficiency in written and verbal communication skills.
- Multi-disciplinary and versatile with the aptitude to learn and apply new skills faster.
- Excellent proficiency with written English and with neutral English accent.

INTERNSHIP

Front-End Developer at CodSoft | HTML, CSS

Aug 2023 - Sep 2023

- Create Captivating landing page of Food Delivery Website using HTML, CSS.
- Design a Portfolio with significant components.

PROJECTS

QuickMart:MERN E-Commerce App | Javascript, ReactJS, Nodejs, Expressjs, MongoDB

Feb 2024

- **Objective:** To develop a full-featured e-commerce application using the MERN stack.
- **Key Features:**
 - Created user and admin dashboards with ReactJS and Tailwindcss
 - Implemented search functionality with MongoDB text indexes and filtering.
 - Developed add-to-cart and checkout mechanisms with Braintree and PayPal integration.
 - **API Testing:** Performed comprehensive API testing using Postman Tool to validate CRUD operation.
 - Created RESTful APIs with Node.js and Express.js.

Sorting Visualizer | HTML5, CSS3, JavaScript

Nov 2023

- **Objective:** Create an interactive tool for demonstrating sorting algorithms.
- **Key Features:**
 - * Implemented sorting algorithms like Bubble Sort enabling users to visualize the sorting process.
 - * User can hear the sound of algorithm during sorting elements.
 - * Enhanced user experience with interactive controls to adjust sorting speed and select different algorithms.

- Develop the **front-end** of a robust Youtube-clone website.
- Empowers users to choose the category, and browse video content items like the latest songs, live news, etc .
- Features include YouTuber profiles, users ' number of Likes and Views, a search bar for quick search, advanced search, and notifications.

Coding Platforms

- **Leetcode:** Solved **70+** Problems [↗](#)
- **GeeksforGeeks:** Solved 35+ Problems [↗](#)

CERTIFICATIONS

- Mastering Data Structure and Algorithms using C++ - Code Help

ACHIEVEMENTS

- All India Rank (AIR) 953 in NIMCET 2022 , the National Level MCA Entrance Examination. June 2022
